SUPPLEMENT RESPONSE

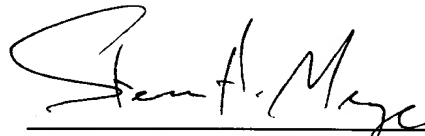

The following remarks are submitted as a supplement to the Response filed on January 7, 2005 with regard to the Office Action mailed on October 13, 2004, and also in response to the re-issued Office Action dated January 15, 2005.

In the Response filed on January 7, 2005, Applicants requested that the finality of the Office Action mailed on October 13, 2004 be withdrawn based on claims 280-299 not having been previously rejected. In reply thereto, the Examiner re-issued the Office Action by way of a facsimile transmission dated January 15, 2005. In particular, the Examiner in the re-issued Office Action did withdraw the finality of the Office Action, but did not otherwise alter the substance of the Office Action mailed on October 13, 2004.

Accordingly, and in response to the re-issued Office Action dated January 15, 2005, Applicants hereby respectfully reassert the substance of the Response filed on January 7, 2005.

In view of the foregoing, Applicants respectfully request early consideration and a Notice of Allowability in due course.

Respectfully submitted,
